Welcome to the Guam Public Library Systems' 2017 Reading Program.

The Summer Reading Club is a special time during summer vacation (6 weeks) for children 0-17 years old to have fun reading and participating in activities that ignite imaginations and foster learning.

The Library's goal is for participants to collectively read a total of 10,000 books over the summer. Readers will set a personal goal based on the types of books they like to read.

All participants must be registered members at the Library! Everyone who registers receives a book log each week to track the number of books they read and the number of visits to the library.

At the End of the program, a special prize will be given to the club member who reads the *most* books and most number of visits to the library.

Be sure to do the following:

- **Complete Registration Form and submit:** Registration forms can be picked up and submitted at any of our branch locations (listed on the back of the brochure) or on our website at <http://gpls.guam.gov>.
- **Get your Reading Log:** Each log you turn in increases your chances of winning a prize! There are prizes for different age groups and categories. Check out Receipts Must be attached to Reading Log.
- **Start Reading!** You need to log what you read into reading log. Each log that you turn in increases your chances of winning a prize!
- **Submit Your Reading Log:** Reading Logs can be submitted as soon as completed but no later than July 15, 2017.
