Utility Service Authorization

General:

NOTE: Effective in Fiscal Year 2013m per Public Law 31-233, there will no longer be a "Utility Cost Pool".

This form is completed by the line agency requesting for initial authorization at the beginning of each fiscal year for each metered utility account. The purpose of this form is to encumber X amount of dollars to pay for monthly utilities; specifically for the Guam Power Authority and the Guam Waterworks Authority. After X amount has been encumbered by the Division of Accounts, monthly billings should be received by each department approving for Division of Accounts to draw down on the encumbrances.
