

Horizon Window - list of items still checked out

The screenshot shows the Horizon library system interface. On the left is a navigation tree with categories like Searching, Cataloging, Circulation, Home Service, Inventory, Serials, and Administration. The main window displays a list of 5 overdue items. At the top, it shows 'Borrower' information, 'Amt. Due' (0.00), and 'Overdues' (5). Below this is a table of items with columns for Block Type, Amount, Title, and Barcode. A text overlay in the center of the main window reads: 'Patron recently has overdue since 9/5/2017 and have yet to be returned.' At the bottom, there are buttons for 'Detail', 'CKO', 'No CKO', 'Payment', 'History', and 'Change Amt', along with a 'Selection' field and 'Blocks 5' indicator.
